

NSW Junior Baseball League tours for 2016 are currently being organised.

WILL YOU MAKE A DECISION TO JOIN US THIS YEAR?

See the information below.

More details on the tours are on the NSWJBL [facebook page](#) (NSW Junior Baseball League).

Why not give YOUR child this great opportunity?

These tours are not just for the established representative players.

A wide level of player benefits each year from the training and experience of these tours.

YOU can play baseball overseas this winter

NSWJBL tours to Europe, Japan and the USA as well as here in Sydney.

Imagine the thrill of competing internationally, in tournaments, against quality opponents from around the world. Taking in the sights and sounds of a foreign country, and meeting others just like you. This is a wonderful opportunity for young teenagers to enjoy a cultural experience beyond anything available to the general public. Each tour provides a unique experience and quality training. NSWJBL has been conducting four tours each year since 2001.

You don't have to be a superstar to get involved. Although the playing standard is high, the emphasis is on cultural exchange and having fun. Plus you'll have the benefit of some intense training before you go, so you'll definitely know that you will start next season as a better player than you finished this one!

**TOURS
take place in
late July / to
early August**

***Trials
commence
February 2016***

**And the best thing? It's affordable!
Last year was from as little as \$2,600**
